OBJECTIVE

To become a full time, part time, or freelance/contract writer.

PERSONAL SUMMARY

Dependable and collaborative team player able to work quickly and efficiently. A proven ability to create unique evergreen material as part of a team or singularly. I have worked in many areas within my field including SEO, advertising, web content, blogs, novels, and screenplays. I also have an extensive background in graphic design, web site design, and video editing/production.

CAREER HISTORY

FREELANCE WRITER

DECEMBER 1994-PRESENT

[KidZui, WRG, Internet Brands, LoveToKnow, Wordissey, Business Store, Hot Indie News, Darkerside Magazine, Yell! Magazine, Horror News, On Demand Studios, Creative Monkeys, PersonalNOVEL, Explore-A-Quest, USR, Kirkus]

As a freelance writer I have created thousands of unique items for web content, blogs, social media, pamphlets/flyers, and landing pages. In addition, I have also edited and proofread documents for accuracy and usefulness. Unique work has included ghostwritten manuscripts, screenplays, and short stories. Some of my duties also requires me to be responsible for their communication channels including Twitter, Facebook, Instagram, and e-mail. Other projects and duties were assigned as needed by senior editors, the client, and/or management.

- Writing how to, informational, and general articles for websites (over 10,000 produced for Internet Brands over 3 years).
- Researching factual information.
- Quality assurance checks on work prior to submissions to ensure originality.
- Adherence to editorial style guides.
- Editing copy until clients and editors are satisfied.
- Writing for electronic media and social media outlets.
- Completing assignments for a complete story, play, or book.
- Working with all manner of subject matter like medical, science, sociology, business, etc.
- Mastery of the Microsoft brand of products.

FREELANCE GRAPHIC DESIGNER

SEPTEMBER 2000-PRESENT

[Darkerside Magazine, DragonFX, NEWF Wrestling, PPW Wrestling, Progressive Insurance, Chamblee Productions, BEAST Pro Wrestling, Just Desserts, Run for the Mountain Productions]

Create/edit graphic design pieces including poster designs, website layouts, promotional materials, and video editing.

- Layout/design posters, brochures, flyers, dust jackets, newsletters and CD/DVD covers.
- Photograph touch-ups.
- Video editing.
- Magazine layout and design.
- Website design and creation.

PRODUCTION

JULY 2009-2013

[New Era Wrestling Federation, PPW Wrestling, Creative Monkeys, Chamblee Productions, Run for the Mountain Productions]

Shoot and edit video including layout, blocking, syncing sound with video, and creating intros/outros as well as direction.
